**X-Celeration Indoor Kart Racing** soon opening in Cathedral City is bringing to the Palm Spring/Coachella Valley area the newest, hottest competitive sporting activity.

## **Employment Opportunities**

### **Track Officials/Personnel: (Part Time) – Job #3205**

We are currently seeking bright and fun individuals to become members of our Track Staff Team. Individuals would be responsible for running races, assisting customers and corporate group event clients, maintaining a safe pleasant working environment, working as a team, and solid attention to detail. Winning personalities are a must, and Kart Racing and Driving experience is a plus but not required. A flexible schedule, evening and weekend availability is crucial.

### **Cashier: (Part Time) – Job #3206**

We are currently seeking bright, articulate and fun individuals to work as a cashier. Individuals would be responsible for specific attention to detail, a consistent smile, proper cash handling, greeting and assisting customers and corporate group event clients, and an overall happy disposition. Winning personalities are a must, and experience is a plus but not required. A flexible schedule, evening and weekend availability is crucial.

### **Kart mechanic: (Part Time) – Job #3207**

We are looking for an experienced and qualified mechanic (preferably with Electric kart / racing experience) to assist our current staff with tuning, upkeep and maintenance of our indoor Electric kart fleet.

We will expect the chosen candidate to hit the ground running so only minimal training will be provided. This person will need to know what they are doing from day 1. There is plenty of work for you and long term employment is assured for the right person.

You must have reliable transportation and have a somewhat flexible schedule (we can work with most reasonable requests).
